SENIOR CAREGIVER EDUCATION PROGRAM

**In an effort to support the Caregivers of Northern Nevada,
we proudly offer on-site Continuing Education (CEU) courses
at your Facility.**

Summit View Hospice is pleased to offer our community caregiving partners the opportunity for on-site continuing education courses. Provided at your facility and taught by a Registered Nurse approved by the Nevada State Board of Nursing, these classes are credited with 1.0 hour of Continuing Education.

Proudly serving Northern Nevada since 2012, Summit View Hospice is a local, family owned, *nationally accredited Hospice provider*. Unlike many corporate Hospice providers, our clinical team is comprised of *Certified Hospice Professionals* who have come together to serve our community.

For more information, or to schedule an on-site education class for your facility, please contact our office at (775) 636-9598.
